AYER'S
Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and keeps nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. BOWEN, proprietor of the McArthur (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. It use promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGELO FAIRBANK, leader of the celebrated "Fairbank Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give silvery evidence of the change which besetting time procures, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm St., Charlestown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.

The Peculiar Old Mystery!

It was one of the peculiarities of the old-fashioned Doctors that they never would tell patients what they were prescribing for them. They said it would do the patients no good to know, and that it would only be gratifying a foolish curiosity. In order to keep patients from knowing, they would write the prescriptions in dog-Latin, so that most patients could not read them. All that sort of thing is now over. The patient wants to know what he takes. He is weak, and wants to be strong, or he is dyspeptic, and wants to digest well. Or he has a troublesome liver which he wants to put to rights. So he takes Brown's Iron Bitters about which there is no mystery at all. This is the best preparation of iron in the world, in combination with gentle yet efficient tonics. It gives strength. It builds up enfeebled systems. It enriches impoverished blood. It removes feminine weaknesses. It casts out debility. It is what you want, and your druggist has it.
